

ONE-CARE[®]

SAFETY PEN NEEDLES **OPTI**

Insulin delivery has never been easier...

Safety

Clear safety shield automatically locks after use to protect the needle

Simple

Color indicator becomes invisible after engagement of safety mechanism

Ergonomic Design

Ergonomic main housing with ribs for comfortable grip

Universal

Compatible fit with most pen injectors

SAFE

- Automated shielding mechanism ensuring that needle is covered before and after use
- Single-use mechanism preventing sharps injuries and reuse of the device
- All safety pen needles are ETO-sterilized and protected with cover and sterility peel-off tab

SIMPLE

- Safety mechanism engagement indicator via "Click" sound and disappearance of color coded inner shield after fully inserting the needle into the skin
- Optimally designed, clear shield for precise placement on injection site with improved visibility

GENTLE

- Design with concealed needle helps to relieve patient's anxiety
- Polished, silicone-coated, ultra-thin needles are ideally positioned during skin penetration thanks to precise tracks for the safety mechanism elements enhancing patients comfort
- Ribbed housing provides a comfortable grip for easy attachment and removal from the pen

UNIVERSAL

- Universal design for compatible use with most injection pens available on the market
- Tight fit prevents leakages of insulin
- Easy to recognize color-coded product versions address a variety of patient skin types and injection requirements

UNIVERSAL STANDARDS

- Rigorously tested per international standards for fit, functionality and reliable performance
